IV. Thrive is the New Black

As I reflect in my flow-grow-now
I embrace the gift of what feels
right for an affirmation to ground into
I AM WHOLE

I thrive!

Secrets are for telling
Safely

I hold the safe and
sacred spaces for my
sisters
they are also on the
path to thrive
and they too
remember
your secrets
your lies and
machinations
see us thrive
see us slice through
your lies
shed the cloak of fear,
deception,
threats, and
machinations
